Instruction - Library

For any site in Southwest Virginia, faculty and teaching assistants may schedule library instruction sessions with one of our Instruction Librarians. If possible, the Reference/Instruction Librarians are happy to "take the show on the road" and come to Abingdon, Roanoke, or elsewhere to review the library's services for distance education students. Arrangements should be made *at least one week in advance*.

Contact the Reference/ Instruction and Distance Education Librarian to arrange for library instruction sessions:

Lisa Vassady (540) 831-5686* or ljvassady@radford.edu

Faculty may also make instruction arrangements with librarians at the following partner libraries: Carilion Roanoke Memorial Library, Roanoke Higher Education Center, and Virginia Highlands Community College.
